Petition for Withdrawal of the Holding of Abandonment
Under 37 C.F.R. § 1.181(a)

Sir:

This communication is in response to the "Notice of Abandonment under 37 C.F.R. § 1.53 (f) or (g)" mailed November 25, 2003. The Notice of Abandonment (copy attached at Exhibit 1) alleges that the application was abandoned because of Applicant's failure to file a timely reply to the Notice to File Missing Parts which was mailed on August 22, 2001.

Applicant respectfully requests reconsideration and withdrawal of abandonment.

The Notice to File Missing Parts requested filing an executed oath or declaration.

In response to this communication, Applicant filed an executed declaration, a copy of the Notice to File Missing Parts and an executed assignment with recordation form. These documents were filed along with a Post Card identifying each document. The Patent Office's stamp dated September 7, 2001, indicates that these documents were received at the Office. A copy of the documents filed along with a copy of the stamped-post card is attached hereto as Exhibit 2.

For these reasons, Applicant respectfully submits that the Notice of Abandonment is unwarranted and requests reconsideration and withdrawal thereof.

Although it is believed that no fee is due for this Petition, the Office is hereby authorized and requested to charge any appropriate fee required for this Petition against Deposit Account No 04-1679.

If any point remains that is deemed best resolved through a telephonic conversation, the Office is hereby requested to contact the undersigned directly.
